

CoDA Third Step Prayer

God, I give to You all that I am and all that I will be for Your healing and direction. Make new this day as I release all my worries and fears, knowing that You are by my side. Please help me to open myself to Your love, to allow Your love to heal my wounds, and to allow Your love to flow through me and from me to those around me. May Your will be done this day and always. Amen
